

## **.22 Silenced Pistol**

**Fully assembled**

**Cocked !**

**Close up of the striker and breech block.**

**A long drawn out view !**

**I would like to offer my sincere thanks to Stanley Richardson and family from Columbus, Indiana, USA, for taking the time and trouble to build the pistol shown in the above photo's, and giving me kind permission to use these photo's on my website.**

**Stanley's website is:**
